

HanGawi's cocktails

soju cocktails

soju is a popular alcoholic beverage native to Korea. Its main ingredient is rice mixed with other ingredients such as wheat, barley and sweet potato. Hangawi's unique soju cocktails are created combining soju with fruit teas, juices, spices and leaves.

soju mojito (mint leaves, lime juice, fresh limes and soju)	glass 13
nirvana (ginger tea, ginger extract and soju)	glass 13
kamasutra (pomegranate juice, grapefruit juice and soju)	glass 13

zen blossom (lychee, elderflower, lychee wine and soju)	glass 13

makgeolli cocktails

makgeolli is a traditional alcoholic beverage native to Korea. It is a milky sweet rice wine which is made by fermenting a mixture of boiled rice and water. Hangawi's unique makgeolli cocktails are created by combining makgeolli with green tea, fresh juices, spices, and leaves.

awakening (green tea, mint leaves and makgeolli)	glass 15
mindfulness (freshly squeezed orange juice, citron paste and makgeolli)	glass 15
enlightenment (shissandra, Korean black raspberry wine and makgeolli)	glass 15

handcrafted traditional rice soju

tökki soju / 토끼 소주 glass 15
tökki is the first American handcrafted traditional rice soju. tökki is high quality, 100% natural soju made with the best ingredients, without any artificial flavors or chemicals. It is soju made from organic American sticky rice, filtered water and a traditional yeast (called nuruk) that is hand cultivated.

tökki soju cocktails
