

## HanGawi's cocktails

### soju cocktails

soju is a popular alcoholic beverage native to Korea. Its main ingredient is rice mixed with other ingredients such as wheat, barley and sweet potato. Hangawi's unique soju cocktails are created combining soju with fruit teas, juices, spices and leaves.

soju mojito (mint leaves, lime juice, fresh limes and soju)	glass 15
lychee mojito (lychee, mint leaves, lime juice, fresh limes and soju)	glass 15
nirvana (ginger tea, ginger extract and soju)	glass 15
kamasutra (pomegranate juice, grapefruit juice and soju)	glass 15
reincarnation (fresh asian pear juice, a hint of lime and soju)	glass 15
meditation (fresh mango juice, a hint of lime and soju)	glass 15
purity (avocado, mint leaves, korean apricot extract and soju)	glass 15
zen blossom (lychee, elderflower, lychee wine and soju)	glass 15

### makgeolli cocktails

makgeolli is a traditional alcoholic beverage native to Korea. It is a milky sweet rice wine which is made by fermenting a mixture of boiled rice and water. Hangawi's unique makgeolli cocktails are created by combining makgeolli with green tea, fresh juices, spices, and leaves.

awakening (green tea, mint leaves and makgeolli)	glass 16
mindfulness (freshly squeezed orange juice, citron paste and makgeolli)	glass 16
enlightenment (shissandra, Korean black raspberry wine and makgeolli)	glass 16
